Switzerland	NONE
Ukraine	NONE
United Kingdom	1998-2011
United States	1998-2011

#### **IV. Min and Max in observed data**

Max: 426.7

Min: 36.3

Not available: NA

#### **V. Brief description of merging process and choices**

- Filled missing values in 2011 data with 2010 data and 2009 data, in that order. This is because we made the assumption that the most recent data would be best updated and the most reliable.
